RE: Automatic liquidation instructions for small diameter graphite electrodes from the People's Republic of China for the period 02/01/2014 through 01/31/2015 (A-570-929)

1. Commerce does not automatically conduct administrative reviews of antidumping duty orders. Instead, reviews must be requested pursuant to section 751(a)(1) of the Tariff Act of 1930, as amended, and in accordance with 19 CFR 351.213.
2. Commerce has not received a request for an administrative review of the antidumping duty order for the period and on the merchandise identified below except for the firm(s) listed in paragraph 3. However, Commerce initiated a new shipper review of a certain exporter/producer combination on 09/30/2014 (79 FR 58742) (See message 4276304 dated 10/03/2014). The period of review for this new shipper review, 02/01/2014 through 08/31/2014, is within the period covered by these automatic liquidation instructions. Therefore, in accordance with 19 CFR 351.212(c), you are to liquidate all entries for all firms except those listed in paragraphs 3 and 4, and assess antidumping duties on merchandise entered, or withdrawn from warehouse, for consumption at the cash deposit or bonding rate in effect on the date of entry:

Product: Small Diameter Graphite Electrodes

Country: People's Republic of China

Case number: A-570-929

Period: 02/01/2014 through 01/31/2015

3. Entries of merchandise of the firms listed below should not be liquidated until specific instructions are issued. Continue to suspend liquidation of all entries of merchandise produced and/or exported by the listed firms entered, or withdrawn from warehouse, for consumption during the period 02/01/2014 through 01/31/2015:

CBP officers must also examine entries under A-570-929-000 and all existing company-specific case numbers to ensure the continued suspension of liquidation of entries during the applicable period of review for the exporters listed above.

4. As a result of the new shipper review initiated on 09/30/2014 (79 FR 58742), entries of merchandise of the exporter/producer combination listed below should not be liquidated until

specific instructions are issued. Continue to suspend liquidation of all entries of merchandise from the exporter/producer combination listed below, entered, or withdrawn from warehouse, for consumption during the period 02/01/2014 through 08/31/2014.

Exporter: Xuzhou Jianglong Carbon Products Co., Ltd.

Producer: Xuzhou Jianglong Carbon Products Co., Ltd.

Case number: A-570-929-039. This case number was not in place during a portion of the period of review. Entries may have been made under A-570-929-000 or other company-specific numbers.

CBP officers must also examine entries under A-570-929-000 and all existing company-specific case numbers to ensure the continued suspension of liquidation of entries during the applicable period of review for the exporter listed above.

5. There are no injunctions applicable to the entries covered by this instruction.

6. Notice of the lifting of suspension of liquidation of entries of subject merchandise covered by paragraph 2 occurred with the publication of the notice of initiation of administrative review for the 02/2015 anniversary month (80 FR 18202, 04/03/2015). Unless instructed otherwise, for all other shipments of small diameter graphite electrodes from the People's Republic of China you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current rates.

7. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

8. Upon assessment of antidumping duties, CBP shall require that the importer provide a reimbursement statement, as described in section 351.402(f)(2) of Commerce's regulations. The importer should provide the reimbursement statement prior to liquidation of the entry. If the importer certifies that it has an agreement with the producer, seller, or exporter to be reimbursed antidumping duties, CBP shall double the antidumping duties in accordance with the above-

referenced regulation. Additionally, if the importer does not provide the reimbursement statement prior to liquidation, reimbursement shall be presumed and CBP shall double the antidumping duties due. If an importer timely files a protest challenging the presumption of reimbursement and doubling of duties, consistent with CBP's protest process, CBP may accept the reimbursement statement filed with the protest to rebut the presumption of reimbursement.
